Figliomeni Drug Store Guide to Saving Money on Prescriptions

Low-cost prescriptions make a difference!

At Figliomeni Drug Store, we don't think you should have to choose between groceries and the medicines you need. Our \$8.95 prescriptions save families thousands of dollars a year.

More \$8.95 prescriptions than ever

Now our \$8.95 price covers hundreds of prescriptions. That includes medicines for a wide range of conditions and diagnosis groups. This list is a quick-reference tool that will help you find the specific medicines you're looking for.

90-Day Prescriptions

Taking a regular prescription? Ask your doctor if you can refill it 3 months at a time. At only \$27, our 90-Day prescriptions save you even more than our regular low-cost prescriptions. You save trips to the pharmacy, too.
